

Megabit Releases New *Lou's Lagoon* Steam Demo

Explore, Collect and Craft in Quest Based Adventure Game from Tiny Roar

London, UK –Feb 13th 2025 – [Megabit](#), a new publishing arm of [Aonic](#) created to support the company's 1st and 3rd party studios, today announced that the first demo for [Lou's Lagoon](#) from developer [Tiny Roar](#), is available now on [Steam](#).

Lou's Lagoon combines an exciting, vibrant open world adventure experience with life sim elements, resulting in a world teeming with escapades. The new demo provides an early look at content from the game, allowing players to embark on a wild adventure in the Limbo Archipelago, finding the materials necessary to make their seaplane airworthy and meeting colorful characters along the way.

Watch the Lou's Lagoon Steam Demo Trailer [here](#).

Features in the demo include:

- Character creation/customization
- Cooking (Zanana Curry only)
- Repairing destroyed island structures
- A fully explorable overworld (via seaplane)
- Flying hoop challenges
- Seven quests

Key Game Features:

- **An Open World Adventure:** Intrepid explorers will traverse the lush and vibrant Limbo Archipelago in search of your Uncle Lou - who mysteriously disappeared and left you his seaplane delivery service.
- **Build Your Delivery Business:** Adventurers, crafters, and cozy fans alike will enjoy a world full of customization and exploration in completing essential quests, mini-games, challenges, and more as players traverse their way through the Limbo Archipelago building their island delivery business.
- **Take To The Skies:** Use your trusty seaplane to scour the archipelago for new resources to upgrade your gear, and master the art of flying to expand your cargo storage to keep up with the growing demands of your clientele.
- **Discover Secrets and Make New Friends:** Uncover hidden islands, discover charming villages, and unlock valuable resources as you befriend new characters along the way, all while getting closer to the truth about your Uncle Lou's whereabouts.
- **Get Creative:** Players' creative control ensures a unique in-game experience that reflects their style and identity in creating an avatar to build, buildings and objects to craft, and a customizable seaplane.

A Press Kit containing key art and screenshots is available [here](#).

Wishlist on [Steam](#) today! Follow Lou's Lagoon on [Facebook](#), [Bluesky](#), and [TikTok](#).
