Megabit Releases First *OMUT* Steam Demo

The Nightmare Begins In the Hardcore, Surrealist, Fever Dream Designed to Make and Break You

London, UK – May 1, 2025 – [Megabit](#) today announced that the first demo for [OMUT](#) from developer Madame Cyclone, is available now on [Steam](#).

More than just a game, *OMUT* is an experience—an obsession, a dream, an ephemeral hope, a hallucination, a whirlpool, and a nightmare. Players embark on an unsettling quest to find a red-haired woman from their dreams, guided by a sarcastic skeletal companion, as they face meticulously designed, nightmarish bosses. Each encounter requires unique strategies, ensuring that every battle feels fresh and distinct.

OMUT is a brutally addictive adventure for players who thrive on challenge and exploring the unknown. This demo is a glimpse into the chaos that awaits, and will be just enough to pull you into the madness.

The beguiling demo offers just a glimpse of OMUT's unforgiving brutality, featuring:

- The first act of OMUT, including seven maddening bosses.
- Three character upgrades to earn and master.
- Approximately one hour of gameplay... if you've got what it takes.

A Press Kit containing key art and screenshots is available [here](#).
